AUSTRALIAN WOMEN'S SOCCER
NATIONAL YOUTH CHAMPIONSHIPS

ANZ will help you get there.

We understand you have ambitions and are determined to achieve them. That goals come in all shapes and sizes, in business and everyday life. And we'll work with you to get there.

ANZ will help you get there.

... from the AWSA President ...

On behalf of the Australian Womens Soccer Association, I extend a warm welcome to all participants and visitors to the 1990 National Youth Championship.

1990 heralds a particularly important period for womens soccer, both in Australia and internationally. In 1991 the first Womens Soccer World Cup will be held and Australia has high hopes of not only competing, but competing well. We look forward to this as a launching pad for a higher profile in international competition in future years. Some of the players competing in this carnival will be members of that national team in the future and I urge all of you to stay with the game in what are going to be exciting times. Please make yourselves known to the National Team players in your home state. They will be only too willing to meet players of the future and will be happy to discuss the game with you.

No carnival can be conducted without a great deal of effort by many people and I would like to particularly thank Maria Berry and the Executive Committee of the Victorian Association for ensuring the success of this championship. Likewise, I would also like to congratulate those states who have been able to bring a team. We need the widest possible representation at all titles if our elite players are to develop their skills in appropriate competition.

Finally, to the players, may I wish you all my congratulations for having been chosen to represent your state and wish you all a successful and enjoyable championship and the very best in your soccer career.

Dennis O'Brien
AWSA President

... from the VWSA President ...

On behalf of the women's soccer community of Victoria I would like to welcome everyone to Wembley Park, Box Hill, for the 1990 AW&A Youth Championship. I am sure that this week will provide us with an entertaining and enjoyable event displaying the high standards which Australian women's soccer is achieving.

To the Victorian players - we look to you to keep up our Victorian tradition: always competitive and always proud to represent your state. At the same time our interstate guests can be assured that Victorian spectators will appreciate your efforts too. Over and above our support for our own state we want to see the best for Australian women's soccer and the players at this tournament are the future of our sport.

As always there have been many workers behind the scenes who have contributed to the success of this event. Thanks must go to:

- the Box Hill Soccer Club, whose ongoing commitment to women's soccer has been such a support to us;
- the VW&A Executive Committee members who have taken on a heavy additional workload;
- Mary Pouloupoulos, our Tournament organiser, who has been invaluable in taking care of the many and varied details needed to arrange this Championship; and
- Robyn Cox, who has spent many hours preparing this program.

Let me conclude by wishing everyone a successful tournament and an enjoyable stay in Melbourne.

Maria Berry
VW&A President

... from the National Executive Director ...

Victoria makes a welcome return to youth competition when it hosts the 6th National Youth Championship at Box Hill.

No state can claim domination in this division of under age competition, as South Queensland, New South Wales, Northern New South Wales and Western Australia have all shared honours over the years.

Clearly, the youth championships provide national coaching staff with opportunities to assess Australia's hopes for future World Cup campaigns. With this in mind, all competitors should be striving to prove their selection in the 1991 national squad.

I would like to say Good Luck to the players and officials in the six competing states and to the Victorian Women's Soccer Association. I hope that the championships are both enjoyable and successful.

Heather Reid
National Executive Director

... national youth championship ...

The Youth Championship (for young women aged under 19 years) is one of three major annual tournaments run by the Australian Women's Soccer Association. In addition to the Youth Championship, the AWSA organises the National Senior Championship and the National Junior Championship (for women under 16 years).

Affiliated states send representative teams to these events, which are the highlights of our national women's soccer calendar. Great traditional rivalry between the states has evolved since the first senior tournament in 1974 and the under age events have carried on the tradition.

National Squads are selected from participants in the Championships, including the National Youth squad which will have international duties against New Zealand in 1991.

The 1990 Championship is the 6th Youth Championship. The results of the first five tournaments were:

Year	Venue	Winner	Runner Up	Other Participants
1985 (under 17)	Hobart	NSW	WA	TAS, S QLD, VIC, NT, N NSW, ACT
1986 (under 17)	Sydney	NSW	N NSW	TAS, S QLD, VIC, NT, WA, ACT
1987 (under 18)	Brisbane	N NSW	WA	S QLD, NSW, VIC, ACT, TAS
1988 (under 19)	Perth	NSW	S QLD	WA, ACT, TAS, N NSW, NT
1989 (under 19)	Darwin	S QLD	N NSW	TAS, NSW, NT

... 1989 tournament results ...

1989 AWSA Youth Championship Played in Darwin, 2-7 July 1989

South Queensland won the 1989 Youth Championship with Northern NSW narrowly beating NSW on goal difference to take out second place.

The final day of the championship started with the possibility of four teams finishing on five points. In the last match, South Queensland needed to beat Tasmania to take out the championship. Despite Tassie scoring first, the Queenslanders fought back to win 3-1 and secure the Cup in convincing style.

... championship rules ...

All three AWSA Championships are run according to a standard set of rules. Here are some of the important ones ...

- 3 This tournament adopts the Laws of the Game as contained in the Referees' Chart and Players Guide to the Laws of the Game (current edition) as published by the Football Association (England) and as modified by these playing rules.
- 5 Duration of the game shall be two 35-minute halves, with a half time period of no less than five minutes and no more than ten minutes. Starting time for matches on all days should be scheduled at least 90 minutes apart. Injury time may be allowed at the referee's discretion.
- 6 Teams will consist of no more than 18 players and 4 officials.
- 7 Three substitutes may be used at any time during the game.
- 8 Should a team bring 18 players to the Championship then they will be allowed to list 7 reserves on the team sheet but only 3 of whom may be used in any one game.
- 11 Points shall be awarded on the following basis -
Win: 2 Draw: 1 Loss: 0.
- 16 In the event of teams being equal on points at the end of the preliminary rounds then goal difference will decide the order of the finish. If goal difference is the same, then the team with most wins will be placed higher in the championship table. Should the number of wins be equal then the team which has scored the most goals will be placed higher. If the goals scored are equal, they will be joint placegetters.
- 21 After receiving three yellow cards during the tournament a player must be automatically suspended for one match.
- 22 Any player given a red card shall be automatically suspended for one match. Should the Chair of the Judiciary Committee decide that the offence may warrant a longer suspension then the matter may be dealt with by the Judiciary Committee.
- 23 Any suspension imposed under Rules 21 and 22 shall be for championship games only and can be carried forward if necessary to the next championship.
